The hearing shall be open to the public, except as otherwise provided in this Chapter, and shall be held not less than twenty (20) days, nor more than sixty (60) days, after receipt of the written demand for investigation, unless good cause is shown for either an earlier or later scheduling.

(c) All portions of the hearing shall be open to the public, with the following exceptions:

(1) Where all parties agree to a closed hearing; or

(2) Where the chairperson determines that, because of the sensitive nature of a witness’ testimony, the hearing should be closed during that testimony in order to prevent unnecessary embarrassment to the witness; or

(3) Where the Commission determines to exclude witnesses who have not yet testified or who may be recalled to testify during the testimony of other witnesses; or

(4) During the deliberations of the Commission.

(d) The chairperson shall determine the proper order of the hearing. As a general rule, the hearing shall proceed as follows:

(2) After opening statements, the appointing authority shall introduce all evidence in his or her case.

(6) After completion of closing statements, the Commission shall deliberate and render a decision.

(e) All matters to be proven by any party shall be proven by a preponderance of the evidence. The appointing authority bears the burden of sustaining a removal, suspension, demotion or discharge.

(f) In conducting the hearing, the Commission shall not be bound by the technical rules of evidence. The Commission may receive and examine any and all evidence which it determines to be relevant to the issues before the Commission.

(g) During the presentation of the testimony, each party shall be allowed direct examination, if the witness is called by the party in his or her case or rebuttal, or cross-examination, if the witness is called by an adverse party in such party's case in chief or rebuttal. In addition, each Commissioner and the Commission's legal counsel, if any, may question any witness.

Section 4.7 DECISION OF COMMISSION—FINDINGS AND CONCLUSIONS REQUIRED.

(a) After the hearing has been completed, the Commission shall deliberate and reach a decision concerning the disciplinary action. If the Commission finds that the removal, suspension, demotion or discharge was made for political or religious reasons or was not made in good faith for cause, the Commission shall order the immediate reinstatement or reemployment of the petitioner in the office, place, position or employment from which such person was removed, suspended, demoted or discharged, which reinstatement shall, if the Commission so provides in its discretion, be retroactive, and entitle such person to pay or compensation from the time of such removal, suspension, demotion or discharge. If the Commission finds that such removal, suspension, demotion or discharge was not made for political or religious reasons and was made in good faith for cause, the Commission may affirm the removal, suspension, demotion or discharge, or, in lieu thereof, may order such greater or lesser discipline as it deems appropriate under the circumstances. (Amended 2/2/12)

(b) In rendering its decision, the Commission shall make findings and conclusions in support thereof. The findings shall contain a summary of the evidence relied upon by the Commission in reaching its decision and the conclusions shall indicate the Commission's reasoning in applying the standard of review set forth in Section 2.48.120 to the facts. The findings and conclusions of the Commission shall be certified in writing to the appointing power and shall be enforced by such power.

(c) The petitioner may appeal from the Commission's decision or order to the King County Superior Court. Such appeal shall be taken by personally serving the Commission, within ten (10) days after the entry of the Commission's judgment or order, with a written notice of appeal, stating the grounds thereof, and demanding that a certified transcript of the record and
all papers and exhibits on file in the office of the Commission affecting or relating to such judgment or order be filed by the Commission with such court. The appealing party shall pay all costs of preparing the transcript at the time the notice of appeal is filed. The Commission shall, within thirty (30) days after the filing of such notice and the payment of costs, make, certify and file such transcript with the court. The King County Superior Court shall proceed to hear and determine such appeal in a summary manner; provided, however, that such hearing shall be confined to the determination of whether the judgment or order made by the Commission was or was not made in good faith for cause, and no appeal to such court shall be taken except upon such ground or grounds.

As thus promulgated, the classification plan within the classified service shall be adopted by the Commission, which shall thereupon allocate every existing position within the police department and fire department to one of the classes as established in the plan. Thereafter, the class titles so established shall be used in all personnel, budget, accounting and other financial documents and communications of the City.
