

PROCLAMATION

National Pollution Prevention Week

WHEREAS, the United States Environmental Protection Agency acknowledges “National Pollution Prevention Week” in honor of the United States Congress passing the Pollution Prevention Act in 1990; and

WHEREAS, the Pollution Prevention Act encourages pollution prevention by reducing or eliminating waste at the source by modifying production processes, promoting the use of nontoxic or less toxic substances, implementing conservation techniques, and reusing materials rather than adding them to the waste stream; and

WHEREAS, the City Council’s Environmental Sustainability Goal includes protecting the natural environment through integrated natural resource management; and

WHEREAS, the City of Bothell implements programs that aim to reduce and prevent pollution generated by businesses, residents, and municipal operations by partnering with the community to protect our environment, including our wetlands, streams, lakes, and rivers.

NOW, THEREFORE, I, Mason Thompson, Mayor of Bothell, do hereby proclaim the week of September 19 – 25, 2022 as “National Pollution Prevention Week” in the City of Bothell, and call upon all in our community to protect natural resources by reducing and eliminating sources of pollution.

Signed this 20th day of September, 2022.

Mason Thompson
