Special Event Guidelines

The City of Bothell recognizes the contribution of special events to the city's attractiveness for residents, tourists, and businesses. A Special Event Permit is required to use any type of a City-owned property when one or more of the following conditions exist (BMC 5.06):

1. The proposed event is reasonably likely to involve more than 75 people;
2. The proposed event is reasonably likely to require City personnel for road closures, traffic control, crowd control, or other safety and logistical support;
3. Public rights of way are impeded by the event's activities.
4. The proposed event requires approval from two (2) or more City departments;
5. Special circumstances which require (1) the coordination of multiple uses of public property; (2) assuring the preservation of public property and public places; (3) prevention of dangerous, unlawful or impermissible uses; and/or (4) protection of the safety of persons and property around the event; as determined by the City Manager or designee.

The application/permit process ensures that the activity meets legal requirements, allows the City to adequately schedule needed public services, and alerts affected neighborhoods and businesses. Please note that for events that take place solely within a City of Bothell park, there is a separate application process. Please contact Bothell Parks and Recreation at (425) 806-6760 for a Park Reservation Request Form or go to www.bothellwa.gov. For other exemptions to the permit requirement, please see the section "Exemptions."

The City of Bothell will review all requests and make a decision to permit the event based on the following considerations.

- Safety of pedestrians and vehicles
- Overall impact on street access and traffic
- Impacts of other activities (events, construction) on the date(s) requested
- Number of times a neighborhood has been impacted by events in a one-year period
- Availability of City personnel and resources

In the case of a schedule conflict or multiple events impacting a specific neighborhood, priority is given to City of Bothell events and to others on a first-come, first-served basis.

Special Event Requirements

Pre-Event Coordination

Provide and submit to the City Clerk all necessary permit information including a completed Special Event Application Form. All necessary documentation must be included with the application at the time of submittal, at least 60 days prior to the event. Meet all event requirements in a timely manner.

The nonrefundable application fee is set forth in the 2019 Fee Schedule (Resolution No 1383):

Small Event (100-200 participants and/or a race) = \$300.00

Large Event (200+ participants and/or parade of any size) = \$675.00

Notification of Impacts

Provide proof of any communications, letters, flyers, signage, news releases or newspaper ads informing these parties of the event and any impacts such as traffic volumes, parking, detours, delays and noise. The parties to be notified will be determined by the City and may include residents, businesses, transit, WSDOT and other agencies. All communications must include a name and contact information for the event organizer(s). This communication should be completed 2 weeks prior to the event. For events with significant impacts to residents and/or businesses, the City may notify the impacted area and allow a comment period during the 30-day review.

Limitations on Event Promotion

The date of the event shall not be considered confirmed and the applicant shall not market or promote the event until the City issues the special event permit.

Traffic Control Plan

Provide detailed plan of traffic control with map showing placement of traffic monitors and public safety officers in critical areas. This plan needs to include an emergency services plan (first aid & medical assistance) showing a site diagram of the event for emergency access routes and a plan to mitigate fire and medical emergencies. For assistance and expertise, please contact Bothell Police and Fire Departments.

Transportation/Parking Plan

Provide a written plan for handling event parking for the participants and spectators, and show any documentation pertaining to arrangements made with any transportation agencies such as Metro Transit, Sound Transit, Community Transit, WSDOT and the City of Bothell Public Works Department that may be impacted by traffic reroutes and/or delays due to street closures. Contact names and numbers must be provided to the City of Bothell. These agencies may be contacted at the conclusion of the event for evaluation purposes. Documentation must be received no later than 2 weeks prior to the event.

Security and Crowd Control

Any City requirements for uniformed public safety officers and/or other City staff will be determined by the City.

Portable Toilets

Large events may be required to provide portable toilets and hand-washing stations for attendees.

The American Restroom Association recommendation for provision of toilets is one restroom for each gender for every 300 persons. The following is a rough guideline for estimating the number of portable sanitation units:

# of People	Number of Hours for Event									
	1	2	3	4	5	6	7	8	9	10
	# of Portable Restrooms									
0-500	4	4	4	6	6	6	8	8	8	8
1,000	4	4	4	6	6	6	8	8	8	12
2,000	8	8	8	8	8	12	12	12	12	16
3,000	8	8	10	10	10	12	16	16	20	20
4,000	8	8	12	12	16	16	20	24	24	28
5,000	12	12	12	16	20	30	30	30	30	34

Garbage and Recycling

Garbage cans must be provided if existing public receptacles are not able to handle the large volume of waste created at the event. You are encouraged to contact the City’s Recycling Coordinator for information about how to maximize recycling at the event. The event organizer is responsible for cleanup and restoration of City property following the event. The City will charge for staff time at overtime rates for any additional cleanup that is required following the event.

Food Service and Health Codes

Required permits must be obtained and displayed for food preparation, handling and distribution. Please contact the appropriate county health department (King County or Snohomish County depending on where the event is located).

Fire Safety

In order to ensure a safe and enjoyable time for all at your event, the Bothell Fire Department requires you to contact the Community Risk Reduction Office: (425) 806-6250 for permit information. A Fire Department permit and an on-site inspection may be required before the event can begin.

Business License

Anyone engaging in business in the City of Bothell must obtain and be the holder of a valid business license (BMC 5.04.010). “Business” means all activities for gain, such as the sale of goods or services. City of Bothell annual business licenses run from July 1 to June 30. Annual business license renewals are mailed during the month of June. If you have any questions regarding whether or not you need a business license or how to obtain a business license, please contact the City of Bothell Community Development Department (425) 806-6400.

Noise

All events must adhere to City Noise Regulations (BMC 8.26).

Equipment

Expenses related to barricades, traffic control devices, portable toilets, garbage receptacles and removal are the responsibility of the event organizer. Documentation in the form of a work order or an invoice that equipment needs/services have been arranged by the event organizer is required.

Volunteer Event Staff

Provide information of organization or group providing volunteer services. This information needs to include the main contact's name, address and phone number, the number of volunteers expected to be at the event, and where they will be stationed. Documentation must be received no later than 2 weeks prior to the event. ***Note: Individuals providing traffic control/monitoring services must be over 18 years of age. Commissioned officers must be stationed at traffic signals.***

Americans with Disabilities Act (ADA) Requirements

The ADA requires that the City of Bothell and public accommodations to provide equitable access for people with disabilities. Applicants are expected to make every effort to follow ADA guidelines and provide and maintain access for people with disabilities. This may include providing a clear path of travel to and on sidewalks and maintaining designated parking and accessibility to restrooms for people with disabilities. More information: www.ada.gov.

Indemnification

The applicant shall agree to sign an indemnification agreement which shall require the applicant to indemnify, defend and hold the city harmless from any and all claims for bodily injury or property damage that may arise out of or in connection with the applicant's permitted use;

Insurance

During all periods of use, sponsors of community events and persons using facilities by concession contract may be required to obtain and maintain public liability and property damage insurance acceptable to the city and/or other insurance necessary to protect the public and the city on premises to be used unless waived by the city manager. The limits of said insurance, if necessary, shall be established by the city manager. A certificate evidencing the insurance, or, upon written request of the city, a duplicate copy of the policy, shall be provided to the city as evidence of the insurance protection. This insurance shall not be canceled or reduced without prior written notice to the city at least 30 days in advance of the cancellation and shall name the city as a named or additional insured and shall be primary to any other insurance available to the city.

Special Events Permit Display

A copy of the approved special events permit shall be maintained at the location of the special event throughout the duration of the event

Grounds for Permit Denial

Reasons for denying a permit include:

- The event, as presented, cannot function safely.
- The City was not provided sufficient notice of the event. Special Event Permit Applications must be submitted 60 days prior to the event date.
- The diversion of police and fire resources to support the event would deny reasonable fire and police protection to other parts of the city.
- The event does not meet traffic control and/or parking management conditions.
- The proposed event would unreasonably disrupt the orderly or safe circulation of traffic as would present an unreasonable risk of injury or damage to the public.

- The applicant provides false or misleading information; the applicant fails to complete the application or to supply other required information or documents; or the applicant declares or shows an unwillingness or inability to comply with the reasonable terms or conditions contained in the proposed permit;
- The proposed event would conflict with another proximate event, interfere with construction or maintenance work in the immediate vicinity, or unreasonably infringe upon the rights of abutting property.

The City Manager or designee shall consult with the City Attorney before denying a permit, and the reason(s) for the denial shall be in writing.

Exemptions

Although not required to be issued a special event permit, an event organizer of an activity exempted from this chapter is required to comply with all local, state and federal laws and regulations governing public safety or health. The following activities are exempt from having to obtain a special event permit:

- Parades, athletic events or other special events that are sponsored or conducted in full by the City of Bothell;
- Funeral procession by a licensed mortuary;
- Temporary sales conducted by businesses, such as holiday sales, grand opening sales, sidewalk sales, or anniversary sales;
- Garage sales, rummage sales, lemonade stands and car washes;
- Activities conducted by a governmental agency acting within the scope of its authority;
- Lawful picketing on public sidewalks;
- Block parties, which must be applied for through a separate City process;
- Events that take place solely within a City of Bothell park that utilize the Park Reservation Request Form (BMC 8.60.040); and
- Right-of-Way use approved through the Public Area Use Permit process (BMC 17.20).

Revocation of Permit

All permits issued pursuant to this chapter shall be temporary, shall vest no permanent right in the applicant and may be revoked upon the occurrence of any of the following:

1. Immediate revocation in the event of a violation of any of the terms and conditions of the permit;
2. Without notice in the event such use becomes, for any reason, dangerous or any structure or obstruction permitted becomes insecure or unsafe.
