#### Where's the info?

**City of Bothell Emergency Update Hotline 425.806.6109** A recorded message that provides updates such as, but not limited to, City of Bothell road closures and conditions, power outages at City facilities, meeting/program cancellations, and area emergency shelter information. Updates will be provided as available. If citizens have a life safety emergency, they should call 9-1-1.

**City of Bothell Website [www.bothellwa.gov](http://www.bothellwa.gov)** If power is available, the City utilizes this communications tool to ensure citizens have up-to-date information.

**City of Bothell Social Media [www.facebook.com/City-of-Bothell-Government](http://www.facebook.com/City-of-Bothell-Government) and [www.twitter.com/CityofBothell](http://www.twitter.com/CityofBothell)**

**Community Posting Boards** If a prolonged power outage occurs and roads are drivable, look to the many community posting boards that the City can utilize to manually post information. See reverse for Posting Board locations

**Media** Western Washington radio and television stations and BCTV Channels 21/26 (available to Comcast and Frontier customers within Bothell city limits) are top resources for latest updates that affect Bothell and the surrounding region. If power is not available, ensure you have a transistor/battery-operated radio to receive updates as the City is constantly communicating with its radio media contacts.

**ALERT King County - Regional public information and notification system** helps you **stay informed** about emergency situations, threats to public health and safety, and significant impacts to major infrastructure. Features include messages sent by telephone, text, and email that are geographically-specific for areas you live, work, and play. Register today at [www.kingcounty.gov/AlertKingCounty](http://www.kingcounty.gov/AlertKingCounty)

#### TOP TIPS:

- Make a Disaster Supplies Kit being sure to remember medications and any pet care needs.
- Develop and review your family response plan.
- Include a communication or reunification plan if you are separated.
- Include out-of-state contact(s) for communicating should local phone systems fail.
- Get to know your neighbors and co-workers. They will be your greatest resource during a disaster.
- Emergency responders and resources will likely be overwhelmed for the first 72 hours or longer; take action steps now to prepare yourself and family to respond, recover and survive.
