UTILITY PERMIT

Submit your application online at www.MyBuildingPermit.com.

43

This intake checklist identifies minimum application elements necessary for the City of Bothell to accept the application.

Utility Connection – For Single Family

- **Site plan** - drawn to a scale, typically 1"= 20'

Main Extensions/Replacement over 8" diameter (Type II): These projects are subject to a SEPA review.

- In addition, submit completed SEPA checklist (see SEPA checklist).

Applicant: A Permit Technician will check off each box under *Staff* when the item is confirmed to be included in the submittal package. *If you think an item is not applicable to your project, you must contact the appropriate department prior to your intake appointment to have the items initialed as not required.*

|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|
| <input type="checkbox"/> | Site plan | <input type="checkbox"/> |
| <input type="checkbox"/> | Detailed construction drawings per Bothell <i>Design and Construction Standards and Specifications</i> (not required for single-family projects). | <input type="checkbox"/> |
| <input type="checkbox"/> | Multi-Family or Commercial Projects: Completed Development Review Billing form D..... | <input type="checkbox"/> |
| <input type="checkbox"/> | Current Certificate of Water and Sewer Availability. You must receive your certificate from the water purveyor prior to submitting this application. | <input type="checkbox"/> |
| <input type="checkbox"/> | METRO Sewer Use Form for new sewer connections..... | <input type="checkbox"/> |
| <input type="checkbox"/> | Completed Water Meter Sizing Form (61a or 61b, as applicable) if applying for City of Bothell water service (2 copies for paper submittals) | <input type="checkbox"/> |
| <input type="checkbox"/> | If applicable: submit copy of the approved Land Use Decision (CAP, SHR, RUP, CUP, SPL, PLT, PUD, etc.), and/or SEPA Determination and all items required by those decisions (if applicable).
NOTE Copies of the Land Use Decision are only required to be submitted with the initial site construction permit application for the project. | <input type="checkbox"/> |

*City of Bothell capital improvement and maintenance projects are exempt from permitting requirements unless other permits, SEPA reviews or outside agency permits are required.

UTILITY PERMIT

43

Fees due at submittal for development projects (2021 fees listed).

- A 5% Technology Surcharge is added to the fee total.

Water utility infrastructure improvements:

Base charge: \$521
Footage charge (per 100 LF): _____ X \$1922 = \$ _____
Total: \$ _____

To determine fees: Divide actual footage of proposed city-owned water main by 100 to determine multiplier to be used with \$1922 rate per 100 lineal ft. All footages must be rounded to the nearest tenth.

Sewer utility infrastructure improvements:

Base charge: \$521
Footage charge (per 100 LF): _____ X \$1600 = \$ _____
Total: \$ _____

To determine fees: Divide actual footage of proposed city-owned sewer main by 100 to determine multiplier to be used with \$1600 rate per 100 lineal ft. All footages must be rounded to the nearest tenth.

Storm water improvements:

Base charge: \$521
Footage charge (per 100 LF): _____ X \$591 = \$ _____
Total: \$ _____

To determine fees: Divide actual footage of proposed storm water main by 100 to determine multiplier to be used with \$591 rate per 100 lineal ft. All footages must be rounded to the nearest tenth.

I hereby certify that the information provided on this application is true and correct and that the applicable requirements of the City of Bothell will be met. I certify that I am the owner of the subject property, or that I have been given express permission by the owner as owner's representative of the subject property to submit this application for permit. I agree that if an error is found the City reserves the right to revise the fees and payment of the additional fees are due upon the next plan submittal. Failure to make this payment will mean the re-submittal will not be taken in by the City.
