

City of Bothell™

Hello!

As the City of Bothell City Manager, I would like to take this opportunity to welcome you to the community! It is an exciting place to be in an exciting time and there is much to look forward to as you settle into your new surroundings. Enclosed please find an easy-to-use City of Bothell map that provides locations on our parks, community service centers and other useful information.

Not only does the City offer 200+ acres of parkland at 22 park sites, there are also activities such as recreational classes, emergency preparedness training, and many others that you can participate in. As a City that offers full services to our citizens, we take pride in providing the best possible service in all areas including Police, Fire, Public Works, Finance and Community Development.

Along with City services, there are outstanding programs within Bothell's Northshore Senior Center, award-winning Northshore School District and state-of-the-art co-located University of Washington Bothell and Cascadia Community College campus.

We do our best to keep our community informed about what goes on within our City. We produce a bi-monthly publication that includes our newsletter, *The Bridge*, as well as our Recreation Guide. This publication is distributed via standard mail. It provides articles on City news, construction updates, and other stories that will help familiarize you with our City. It also provides details on upcoming classes and programs. Our website is www.ci.bothell.wa.us. Another communication tool is Bothell Community Television (BCTV) Channel 21/26 (Comcast/Verizon) that provides our citizens with up-to-date information on City events, news, meetings plus City-produced programs and educational programming from other governmental agencies such as Washington State Department of Natural Resources and Federal Emergency Management Agency (FEMA). Bothell Comcast and Verizon cable customers who live within the City of Bothell limits have access to the 24-hour government channel.

We invite all community members to become involved with the City, as well as provide any and all feedback to us regarding our services. Please feel free to contact me anytime at 425.486.3256 or via e-mail at bob.stowe@ci.bothell.wa.us. Again, I welcome you to the City of Bothell! I hope you enjoy the City and find a way to become involved with your local government.

Best regards,

A handwritten signature in blue ink, appearing to read 'Bob Stowe', is written over a light blue circular stamp.

Robert S. Stowe
